G.O No. 7L 5040-89/97 137-16-2 dt: 6/3/17 is put up. The Comptroller is thereunder authorized to sanction pension in the following cases:-

(1) the cases should relate to non-gazette

officers and menials.

(2) The pension should be clearly admissible under the M.S.R.

(3) It should have been recommended by the applicants' official superior not lower in rank than a Dy Comm.

The G.o does not make any difference between military and civil pension case It applies to both.

2. Hitherto, the ~~Dy: Commandant~~ used to send the pension rolls of his deptt to the military section of the Secretariat. This section will scrutinise and forward them to the Fl Department with a certificate as to the admissibility of the claim in each case. The Fl Deptt will issue the order sanctioning pension. It is now a point for consideration whether the scrutiny exercised by the Mil Y Section should or should not ~~continue~~ continue. Br: V may be consulted. yes.

In accordance with G.O. No. 4013-4/S & A 33-07-7 dated the 11-2-1918 the verification of services has to be done by the Chief Cond.r and not by the Mily Section of the Secty which has no data to exercise any check over the verification. The order passed in our Dalla Note does not also make any exception of Mily pensions.

There appears to be some misapprehension about the applicability of the procedure prescribed in the Official Memo of 2-3-17 which applies only to cases requiring the sanction of Govt. viz., (1) applications of gazetted Mily Officers i.e., all commissioned Officers of the Army and (2) those of N.C.Os and men not covered by the rules in the M.S.R. (such as those of the D.S.T. corps).

The above fact may be made clear to the Comptr.

The Opinion of the administrative dept. might be accepted. The Verification of service is one in the ch: Accounts office and not in the Secrett Br. F, which ofg scrutinising the admissibility of the claim and make recommendation to the Finance dept for sanction of pension being communicated -

The only check as regards the Verification of service in the ch: Accounts office is secured by the provision made in the G of 11-2-1912 of the Compln Staff requiring a copy of the case in the ch: Accounts office periodically. SIR,

With reference to official memorandum No. G. 11889-93/Mily 169-16-1 dated the 2nd March 1917, I have the honour to enquire if it is the intention of Government that in future all the military pension cases should also be sanctioned by the Comptroller. Military cases are different from the civil cases as the latter are verified and reported on by the audit office and the former are not.

If the payment recommended by the Chief Commandant in each case is to be authorised it will be done; but in that case the verification of claims such as that required to be made by the Military department of the Secretariat (Vide memorandum No. G 11889-93/Mily 169-16-1 dated 2nd March 1917) will have been done away with.

I have the honor to be,

S i r,

Your most obedient servant,

Offg. Comptroller.
